

TRAINING TABLE OPTIONS

MODESTY PANEL

A Modesty Panel can be added to the TR Series Training Tables. The Modesty Panel matches the width of the Wire Manager and is positioned below it. There is a 1" clearance between the bottom of the Modesty Panel and the floor. Available in all sizes.

Specify Option: TRMP - Add \$128 List

SHELF

A Shelf can be added to the TR Series Training Tables. It installs between the Table Legs, under the Wire Manager, and may be positioned in three different locations. Available in sizes that match TR Series Training Tables up to 48" wide.

Specify Option: TRSH - Add \$98 List

(Note: Only one option below available per Training Table)
