

IBM® Brand Kiosk Product List

Kiosk Printer Reliability is Critical to Customer Satisfaction

Reliability, performance and dependability are essential for kiosk printers. Anything less is not acceptable. Using kiosk media other than IBM Brand is asking for trouble.

IBM Brand Kiosk Paper offers a complete line of compatible paper media for use in most of today's kiosk printers. ON-LINE, is a licensed converter of IBM Brand Kiosk Paper Media. ON-LINE guarantees the performance of IBM Brand Kiosk Paper Media. We use only the paper grades certified by IBM Retail Store Solutions for use in IBM Brand Kiosks.

Reliability, performance and dependability. There are those three words again. These words mean 'peace of mind' with IBM Brand Kiosk Paper Media by ON-LINE."

IBM® Brand Kiosk Thermal Paper Product Listing
