ian

What looks good, tastes good, and feels good to one person might not to the next.

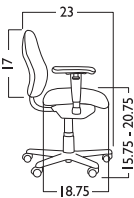

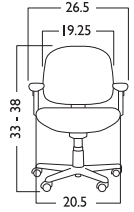

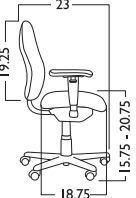

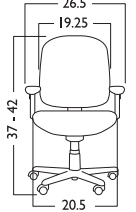

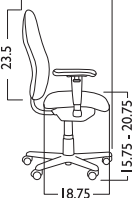

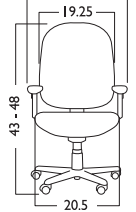

With Ian you can custom design your chair with various options and sizes.

And now Ian is more comfy than ever, thanks to the new dual-construction, high-resilient seat foam and an optional sculpted tractor seat upgrade.

Features / Benefits:

- User friendly adjustments accommodate a variety of tasks and body types
- Personalize your functionality – Syncro-Tilt, Multi-Function, Knee-Tilt or Swivel-Tilt controls
- Touchlift® internal back height adjustment
- Molded foam contours for back and lumbar support
- New dual-construction, high-resilient seat foam for a softer sit
- Upgrade to sculpted tractor seat with visco elastic foam for all-day comfort
- Available on **izzyquik** 2-day quick ship program
- Choose from 74 standard textiles and leathers including EverGreen, a Terratex® brand recycled upholstery collection
- Customize your choice with a COM or through graded-in programs with MomentumTextiles and KnollTextiles
- Limited Lifetime Warranty

Options:	MidBack w/ 18.75" seat	FullBack w/ 18.75" seat	HighBack w/ 18.75" seat
