nelson

nelson

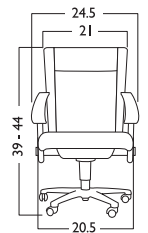

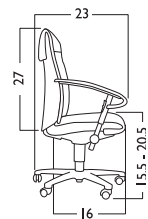

Remember Grandma's glider? The same relaxing motion offers advanced support when translated to a task chair. We call it intuitive-glide, you'll call it super comfy. As you move, the chair mirrors your back, while your eyes maintain a constant level with the computer.

Features / Benefits:

- Sleek, thin profile makes Nelson the executive chair of choice
- One size, exquisite comfort
- Intuitive-glide control provides synchronized seat movement
- Tilt tension adjustment with tilt lockout
- Fully upholstered back
- Choose from polished aluminum or black frame
- Adjustable or fixed loop arms
- Choose from 74 standard textiles and leathers including EverGreen, a Terratex® brand recycled upholstery collection
- Customize your choice with a COM or through graded-in programs with MomentumTextiles and KnollTextiles
- Limited Lifetime Warranty

Options:

	FullBack w/ 16" seat
